# AUTONOMOUS GROUND VEHICLES PAVILION

XPONENTIAL offers attendees the chance to get up close and personal with cutting edge technology. With room for interactive displays and demos, the Autonomous Ground Vehicles area is the place "for people and things, inside and out". Expect to see a diverse array of ground domain systems and solutions.

Ideal technology for the pavilion include autonomous cars, trucks and last-mile delivery vehicles, warehouse automation like autonomous forklifts & pickers just to name a few. What solution do you have that could revolutionize the market?

XPONENTIAL 2023 provides a global platform to gain exposure, find new opportunities and partner with other to strengthen your offer. **Three tools for Autonomous Ground Vehicle Companies to get ahead:**

## AUTONOMOUS GROUND VEHICLES PAVILION

The Autonomous Ground Vehicles Pavilion is a dedicated hub on the XPONENTIAL show floor for ground domain companies to showcase unique solutions and cutting-edge technologies for application across the uncrewed and autonomous systems community.

## ENTERPRISE AND GOVERNMENT SOLUTIONS SPEAKING OPPORTUNITY (EAGS)

Feature your customers on a panel you organize or a company representative talking about a challenge facing the industry and how your company has a solution. You control the content and format of the 45-minute session and receive a list of opt-in attendees who attended, contact info included. Benefits also include recognition as an official XPONENTIAL Sponsor. Limited number, learn more at [www.xponential.org/sponsor](http://www.xponential.org/sponsor).

AUVSI is a community of uncrewed systems innovators and leaders. AUVSI membership gives you unparalleled access to information, resources and connections. Join AUVSI with a special membership just for industry leaders. Visit [www.auvsi.org/members](http://www.auvsi.org/members) to get started.
